Induction: The Best Kept Secret in Lighting—presented by Brandon Marken.

Join us Tuesday, May 4th at 5:30 pm at the Westin
Hotel in Southfield, MI.

Brandon Marken from Full Spectrum Solutions, Inc will be speaking on the benefits of and the developments in the Induction Lighting field. With new developments such as step-dimming, fixture design, and heat management, induction lighting is becoming an even better lighting solution every day.

Our speaker, Brandon Marken is a professional lighting consultant who joined Everlast® Induction Lighting as the Director of Commercial Sales in March 2009. Brandon has designed lighting schedule for large-scale retrofit projects, as well as new construction projects throughout the country. Brandon also focuses on product development, fixture benchmarking, photometric analysis, and energy audits of EverLast® products..
