

# MICHIGAN SECTION LIGHTING EDUCATION

November 2008

Join us Tuesday November 11th at 6:45 pm at the MGM Grand Detroit Casino for :

**MGM Grand Casino Lighting Tour**

**Presented by : Illuminating Concepts.**

Take a tour of Vegas style lighting design right here in Detroit. Illuminating Concepts will be conducting a walk through of the MGM Detroit Casino on November 11, 2008. As the lighting design firm for the entire front of house scope, the tour will include various project areas including the gaming floor, multiple restaurants and bars, the night club, retail, meeting rooms and ballrooms, hotel and spa and exterior façade and site lighting. Designers will be discussing the challenges we face in casino lighting design such as coordination between multiple architects and interior designers, FF&E coordination, specification management across multiple venues, the design build process and identifying design requirements with all parties involved.

You are on your own for dinner this evening. Please join us from 7:00-8:30 for the tour.

## MICHIGAN SECTION LIGHTING EDUCATION

Tuesday, November 11th, 2008:

MGM Grand Casino Lighting Tour

MGM Grand Detroit

1777 Third Street

Detroit, MI 48226

No Cost - Limit to 40 people. Dinner is not provided as a part of this meeting. RSVP as soon as possible to Joe Oranchak via email at [jroranchak@cs.com](mailto:jroranchak@cs.com).

The IES offers continuing lighting education programs each month featuring many nationally known lighting designers, researchers, and educators. The programs provide an opportunity to gain new knowledge in the evolving field of lighting and to meet people in the lighting and design professions. Architects, interior designers, and students are encouraged to attend. Please plan to attend and pass our announcements on to others.
